

FISCHBEIN®

THE F-SERIES PORTABLE BAG CLOSER

A New Level of Excellence in Sewing Technology

Providing the Fischbein quality, durability and performance you have trusted for over half a century, with new advanced features, the Fischbein F-Series is the most reliable portable bag closer you can buy. The F-Series quickly and tightly closes multi-wall paper, woven polypropylene, jute and other types of bags.

ALL-NEW ADVANCED FEATURES:

- Improved lubrication system
- Extended wear bushings
- Longer life cam
- Enhanced needle lever assembly

These features, combined with the power to operate at 1800 stitches per minute, allow the F-Series to handle your toughest bag closing jobs quickly and safely with dependable performance.

ADDITIONAL FEATURES AND BENEFITS:

- Robust design works with ease on the bagging line or in the field
- Durable non-corrosive epoxy finish for longer life
- CAD designed mechanisms ensure unmatched performance and reliability

The F-Series requires fewer adjustments and minimum maintenance, reducing your downtime and costs. It is the latest in the line of quality and reliability you've come to expect from Fischbein, the leader in bag closing technology.
